

Lesson Plan Micro Teaching

Objective: To review recently learned vocabulary about animals and basic people. Next, introduce the verb Gustar and explain how to use it and practice using Gustar with our vocabulary.

Skills:

- Give an agenda of the day
- (2 min)
- Introductions
- Greetings and answering the question; How are you?
(5 min)

Pre-Task

- Reviewing recent vocabulary over animals and basic people names.
(5-8 min)

Main-Task

- Introduce Gustar and how it is conjugated and the use of it in the positive and the negative.
(10 min)
- Play a game with “white boards” and candy in pairs, saying whether you like or dislike something.
(3-5 min)

Post-Task

- Listening activity to hear. People using full Spanish sentences, mostly including the usage of Gustar. Some will use proper construction some will make errors with quantity agreement and some with conjugation.
(10- 15 min) **This would have written answers, this is what I would use as my assessment activity.**
- Assign work book page for Tarea...give time to look it over and make sure that the directions are clear.
